Visit the FREE SRP Water Conservation Expo
March 3, 2012, from 9 a.m.–1 p.m. at the
SRP PERA Club, 1 E. Continental Drive, Tempe.

- 💧 Learn how to save water and money.
- 💧 Save substantially on a Rain Bird ESP-SMT4 smart irrigation controller.
- 💧 Get advice from landscape experts and learn about city water conservation programs.
- 💧 Find out about useful water conservation products and enjoy family activities, including interactive displays.

Register to attend at togetherweconserve.com/events
or call **(602) 236-3333**.

Visit the expo and get a smart irrigation controller* for \$50 plus tax (retail value \$290). Be one of the first 500 customers to attend a controller installation class at the expo and receive a water-saving Evolve showerhead (\$39 value).

SRP's smart irrigation controller discount is limited to the first 500 SRP water shareholders or power customers who register for and attend the expo. Each household may receive one controller and showerhead.

*Model is a four-station controller and easily expandable to 13 stations. Three-station modules are available at the event for an additional fee.
