
SOLAR ENERGY PROGRAM: CHECKLIST

If you plan to participate in the program, please use the checklist below to help guide you through the process:

- Contact the Program Manager at (602) 236-5816 to see if funding is available.
- Request a packet of information to participate or download the applications at www.srpnet.com/solar.
- Work with a licensed Arizona contractor to select a system that meets your needs and our program requirements. (The amount of money you will receive from SRP is determined by the size of the system you install.)
- Submit the complete application package to the Program Manager. Once the application has been received and approved, you will receive a Fund Reservation Notification.
- You now have 180 days (6 months) to install the system on your home or business.
- If you have installed a solar electric system:**
 - If you are an off-grid customer:
 - Submit a letter stating that the solar electric system will not parallel with SRP's electrical grid.
 - Upon confirmation of installation, SRP will issue you a payment check.
 - If you are an on-grid customer:
 - Contact the Program Manager at (602) 236-5816 for an Interconnection Agreement (ICA).
 - After the ICA has been signed and your system has passed all city inspections, SRP will schedule site inspection and meter installation.
 - If your system passes site inspection, the EarthWise Solar Energy payment will be issued.
- If you have installed a solar water heating system:**
 - Submit an invoice receipt showing the date of installation, date of payment, along with the contractor's contact information.
 - Upon confirmation of payment and installation, the EarthWise Solar Energy payment will be issued.
