APPLICABILITY:

Service under this price plan is applicable to a single family house, a single unit in a multiple family house, a single unit in a multiple apartment, a manufactured housing unit, or other residential dwelling, supplied through one point of delivery and measured through one meter. Service under this price plan excludes resale, sub-metering and standby uses. Applicability shall be determined in SRP's sole discretion.

ACCESSIBILITY:

Equipment used to provide M-Power service must be physically accessible to SRP personnel without prior notice.

CHARACTER OF SERVICE:

Sixty hertz alternating current at approximately 120/240 volts, single-phase.

CONDITIONS:

- A. A customer requiring additional interconnection, metering or other equipment beyond what is necessary for SRP to provide basic service applicable under this price plan must pay SRP for the costs of such additional equipment.
- B. A customer may cancel service under this price plan and elect service under another applicable price plan. The customer may not subsequently elect service under this price plan for at least one year after the effective date of cancellation. Customers who are served under E-24 for less than 12 months and choose to elect service under another optional residential price plan will be required to pay the then-current Board approved field visit fee to cover the cost of the required meter exchange.

- C. SRP may increase or decrease the Environmental Programs Cost Adjustment Factor based on changes in the cost of providing energy efficiency, renewable energy and other environmental programs. The price for Environmental Programs is calculated based on the projected cost of the programs, adjusted for the actual over- or under-collection of the programs relative to expenses from prior periods.
- D. SRP will increase or decrease billings under this price plan in proportion to any taxes, fees, or charges (excluding federal or state income taxes) levied or imposed by any governmental authority and payable by SRP for any services, power, or energy provided under this price plan.
- E. Customers receiving service under the Economy Discount Rider prior to May 1, 2008 are eligible for a waiver of a portion of the Monthly Service Charge. This waiver is not available after April 30, 2011. This waiver is not available to other customers.

RULES AND REGULATIONS:

Service under this price plan and all associated riders shall be in accordance with the terms of SRP's Rules and Regulations, as they may be amended or revised by SRP from time to time. Failure by a customer to comply in all material respects with SRP's Rules and Regulations may result in SRP terminating electric service to the customer.

SPECIAL RIDER:

Low-income customers may qualify for a discount under the Economy Discount Rider.
