

Anda G. McAfee At Large Board Seat Voting Area 11

Candidate Information

Experienced Board Leadership | Technology Transition Expert

Dear SRP Stakeholders,

I am excited to present myself as a candidate for re-election to the SRP Board, where I aim to continue serving with dedication, vision, and a wealth of experience garnered over a career marked by innovation and leadership in Fortune 100/500 Companies. With a robust background in Engineering and Corporate Program Management, I bring to the table a unique blend of technical expertise and strategic acumen.

Professional Background:

Retiring in 2020 from the semiconductor industry, I held diverse roles from Engineer to Director of Corporate Program Management. This journey equipped me with the skills to navigate the complexities of high-tech environments, leading cross-functional teams to execute pivotal initiatives like technology transfers and acquisitions. My expertise in ushering new technologies aligns seamlessly with SRP's transition to renewable energy.

Passion for Reliable Solutions, Sustainable Future, Affordable Energy:

My commitment to reliable solutions, sustainable practices, and affordable energy underscores my dedication to fostering a thriving future for all. Embracing technological advancements while prioritizing environmental stewardship and fiscal responsibility is paramount in today's ever-evolving landscape.

Community and Collaboration:

At the core of my being lies a deep-rooted belief in the power of community and collaboration. By forging strong bonds and working together, we can surmount challenges and pave the way for a brighter tomorrow for all stakeholders.

I stand before you as a candidate with a proven track record of leadership, a passion for innovation, and a steadfast commitment to the values that define SRP's mission. I am honored to have served on the Board, and I humbly ask for your support in continuing this journey of progress and excellence.

Sincerely, Anda McAfee
