Sale of Excess Land

Using a PowerPoint Presentation, Christy C. Burke, SRP Manager of Land Acquisitions, stated that the purpose of the presentation was to request approval to sell 2.07 acres of excess land, located along Ellsworth Road south of Ray Road to the adjacent property owner.

Ms. C.C. Burke stated that in 2009, SRP acquired the undeveloped land along Ellsworth Road south of Ray Road for the intended use as a future substation, and in 2022, the adjacent property owner contacted SRP expressing interest in purchasing the parcel. She said that the SRP Land department located a suitable replacement parcel nearby that was secured for the intended substation, and the initial parcel was approved for sale as excess land by the SRP Operations department.

Ms. C.C. Burke provided an aerial view of the property location, along with transaction details of the sale. She concluded with management’s recommendation for approval to adopt a resolution authorizing the sale of 2.07 acres (89,908 sf +/-) of excess land located in Maricopa County along Ellsworth Road south of Ray Road to the adjacent property owner.

Using a PowerPoint Presentation, Ms. C.C. Burke stated that the purpose of the presentation was to request approval to quit-claim 0.03 acres of excess land located in Mesa, AZ near McKellips Road and Country Club Drive to the adjoining property owners.

Ms. C.C. Burke stated that in 1954, SRP acquired land via a quit-claim deed to be used for a well site with the provision that the property would revert to the heirs of the original grantors in the event SRP ceased using the property as a well site. She continued that in 1968, to accommodate the widening of McKellips Road, SRP quit-claimed the southern 22 feet of the well site to Maricopa County in exchange for additional land to the east and north in the form of a well site easement. Ms. C.C. Burke said the well has since been removed from the property, thus reverting the property to the heirs of the original grantors.

Ms. C.C. Burke provided an aerial view of the property location, along with transaction details of the quit-claim. She concluded with management’s recommendation for approval to adopt a resolution authorizing the quit-claim of 0.03 acres (1,400 sf +/-) of a reversion parcel located in Mesa, AZ near McKellips Road and Country Club Drive, to the adjoining property owner(s).
