3 WAYS TO STAY SAFE AROUND ELECTRICITY

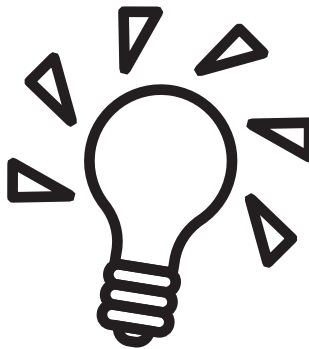

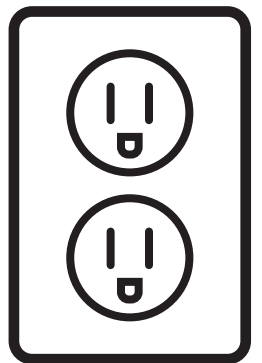

1

Always stay away from electricity when you are wet.

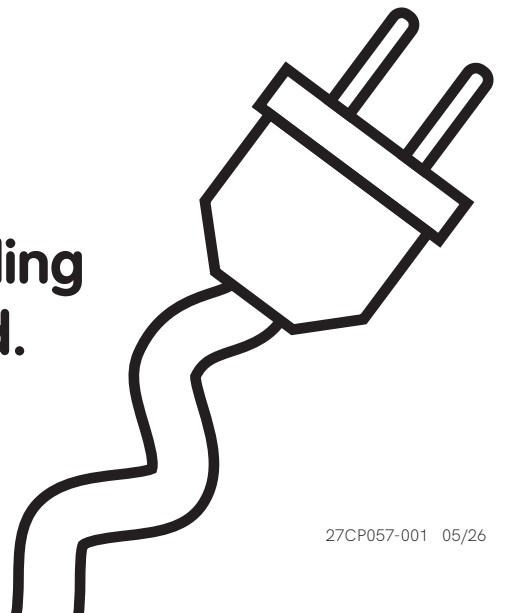

2

Never put fingers or toys in electrical outlets.

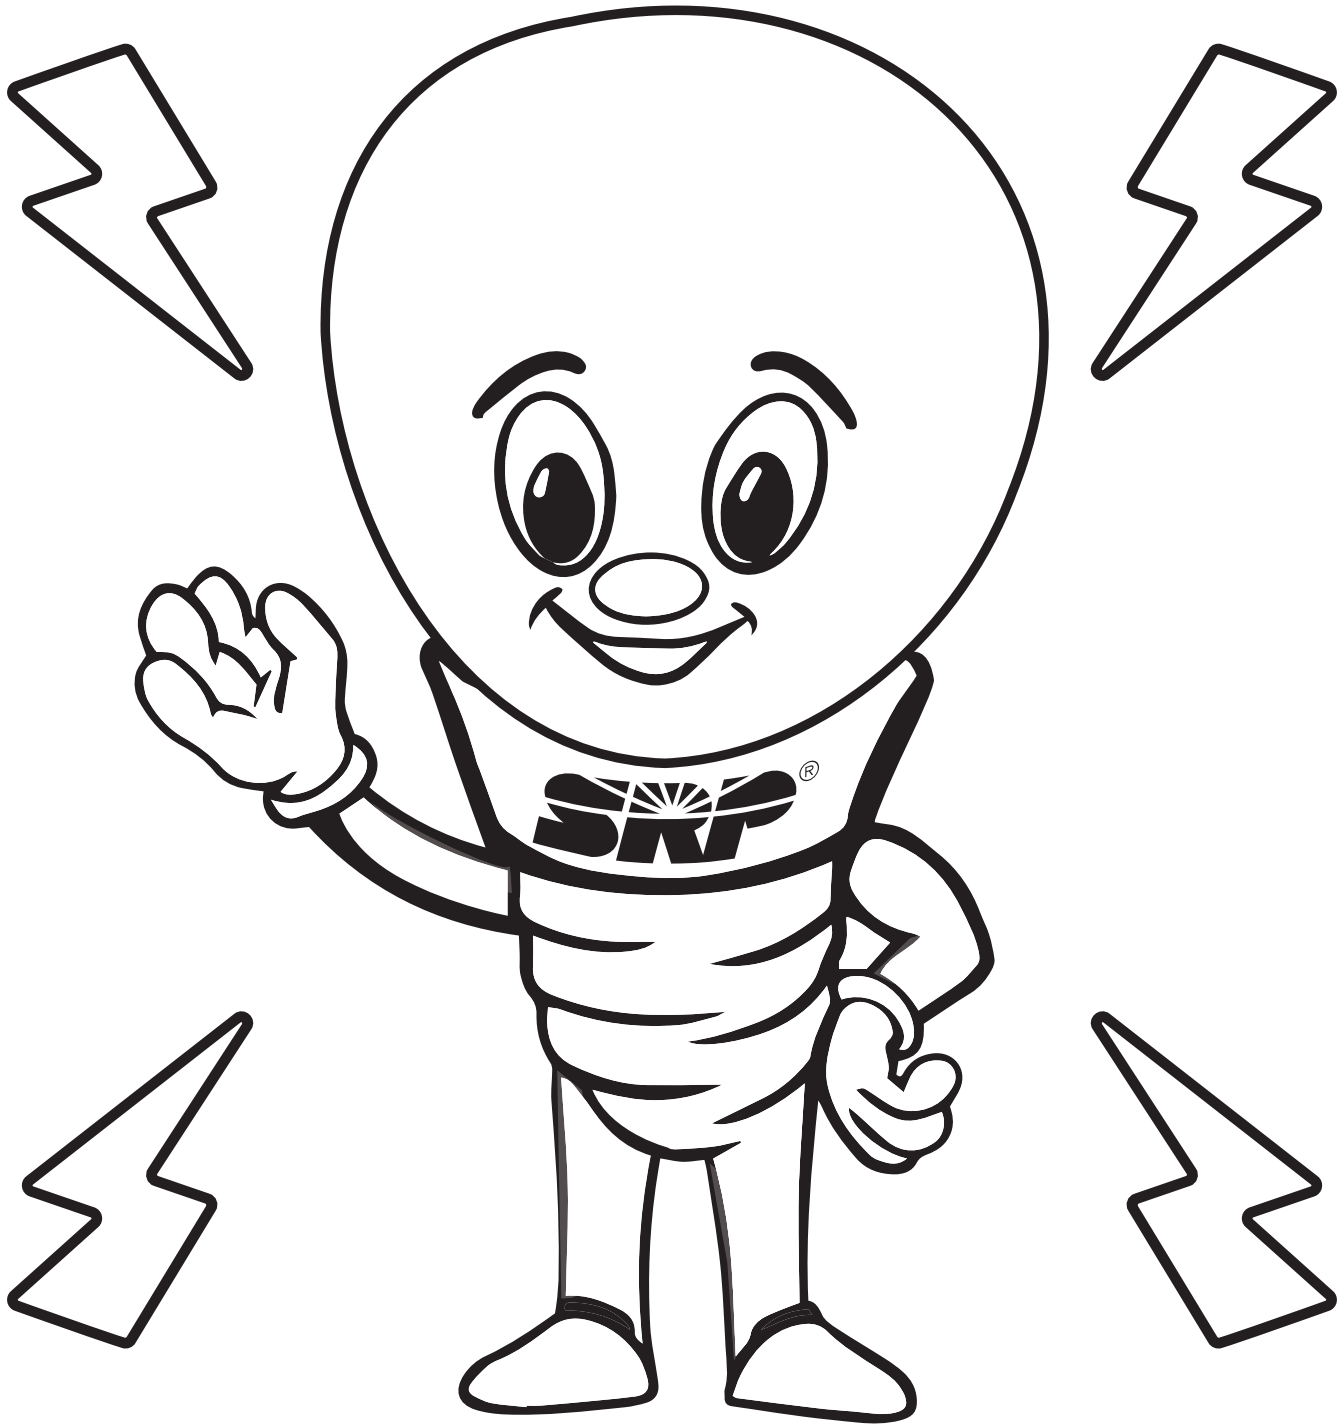

3

Unplug things by pulling the plug, not the cord.

¡Sé como Wattson y practica siempre la
SEGURIDAD ELÉCTRICA!

TRES MANERAS DE MANTENERTE SEGURO CERCA DE LA ELECTRICIDAD

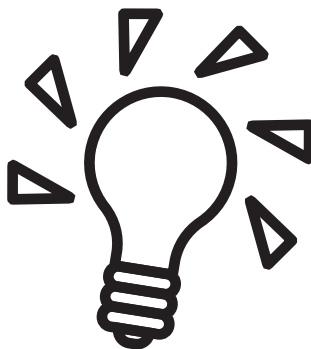

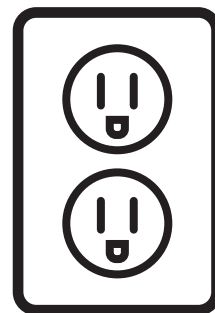

1

**Nunca te acerques a la
electricidad si estás mojado.**

2

**Nunca metas los dedos ni
los juguetes en los enchufes.**

3

**Desconecta los aparatos
del enchufe, no del cable.**
