

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-472-4352. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-888-472-4352 to request a copy.

Important Questions	Answers			Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	Alliance <a href="#">Network</a> \$100/individual \$200/family	<a href="#">In-Network</a> /Out-of-Area (OOA) \$750/individual \$1,500/family	<a href="#">Non-Network</a> \$3,900/individual \$7,800/family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
	<a href="#">Network</a> and <a href="#">non-network deductibles</a> are separate.			
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes, <a href="#">network preventive services</a> , services paid with a <a href="#">copayment</a> , services paid at no charge, and prescription drugs.			This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.			You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	Alliance <a href="#">Network</a> \$2,500/individual \$5,000/family	<a href="#">In-Network</a> /Out-of-Area (OOA) \$3,500/individual \$7,000/family	<a href="#">Non-network</a> \$10,000/individual \$20,000/family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
	<a href="#">Network</a> and <a href="#">Non-Network out-of-pocket limits</a> are separate.			
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges (unless <a href="#">balance billing</a> is prohibited), prescription drug brand-name drug penalty, specialty drugs covered under SaveOnSP (whether enrolled or not), and health care this <a href="#">plan</a> doesn't cover.			Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://www.HCHealthbenefits.com">www.HCHealthbenefits.com</a> or call 1-888-472-4352 for a list of <a href="#">network providers</a> .			You pay the least if you use a <a href="#">provider</a> in the Alliance <a href="#">Network</a> . You pay more if you use a <a href="#">provider</a> In-Network. You will pay the most if you use an <a href="#">non-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
