Chair M.V. Pace called the meeting to order.

Fiscal Year 2026 (FY26) Water Function Budget

Using a PowerPoint presentation, Travis J. Burnett, SRP Senior Manager of Water Finance and Contracts, stated that the purpose of the presentation was to provide information regarding the proposed FY26 Water Function Budget.

- T.J. Burnett presented an overview of the valley water supply and total used by SRP cities in 2020. They provided a graph from 1957 to 2024 reflecting the major transition from agricultural to urban land use.
- T.J. Burnett broke down the direct delivery active accounts, total water deliveries, and water delivery as a percentage of total revenues. They explained that the Association's budget includes the following: 1) revenues from water services for shareholders, including city agents, and falling water; and 2) expenses for Operation and Maintenance

(O&M) of the irrigation and drainage system for shareholders as determined by the 1949 contract.

- T.J. Burnett further explained that the District's budget includes the following:

 1) expenses for capital additions and replacements to the irrigation and drainage system; 2) expenses for reservoir operations, watershed monitoring, water rights protection, water policy engagement, water conservation support, forest restoration, recharge projects, and interconnection facilities, etc., and 3) revenues and expenses from services to non-shareholders such as recharge project leases, well leases, wheeling water services, etc.
- T.J. Burnett provided the draft Statement of Revenues and Expenses for the Water Function Budget for FY26 with changes from FY25 to FY26. They explained that Association Members hold water rights to water stored and developed from the Reclamation Project and provide revenue to the Association by paying: 1) the price for delivery of such water based on water type; and 2) administration fees for such delivery service.
- T.J. Burnett reviewed the proposed price and fee recommendations for Calendar Year 2026 (CY26) along with the changes from FY25 to FY26. They concluded with an explanation of the average cost per acre foot and provided customer examples.
- T.J. Burnett responded to questions from the Committee.

Copies of the PowerPoint slides used in this presentation are on file in the Corporate Secretary's Office and, by reference, made a part of these minutes.

Board Members S.D. Kennedy and K.L. Mohr-Almeida; Council Member E.L. Gorsegner; and V.P. Kisicki of SRP entered the meeting during the presentation.

FY26 Financial Plan and Operating Budget

Using a PowerPoint presentation, B.J. Koch, SRP Associate General Manager and Chief Financial Executive, stated that the purpose of the presentation was to review key assumptions and initiatives for the FY26 Financial Plan (FP26) and Operating Budget. They reviewed SRP's 2035 financial goals and FY25 objectives.

- B.J. Koch stated that forecasted sales growth, coupled with generation transition, has significant financial implications. They reviewed historical retail sales and the preliminary forecast for FP26.
- B.J. Koch provided graphs of the following: capital spending by segment, FP26 outlook of retail sales and direct costs, projected six-year total cash inflows and outflows, price modeling assumptions, borrowing outlook, Combined Net Revenues (CNR), funds available, debt ratio, and debt service coverage ratio. They concluded with a discussion of next steps, and budget schedule through March 2025.
- B.J. Koch responded to questions from the Committee.

Copies of the handout distributed and the PowerPoint slides used in this presentation are on file in the Corporate Secretary's Office and, by reference, made a part of these minutes.

Prepaid Commodity Transaction

Tyler Perry

Finance and Budget Committee | April 24, 2025

Agenda

- Prepaid Commodity Transaction Overview
- SRP's History with Prepays
- Gas Prepay Transaction Opportunity
- Next Steps
- Approval Request

What is a Prepaid Commodity Transaction

- Financing structure that provides SRP the ability to benefit from lower tax-exempt interest rates
- SRP is not responsible for debt repayment (only required to pay for commodities received)
- Prepays do not impact balance sheet and credit metrics
- Per IRS regulations, prepaid commodities must be consumed by retail customers
- Prepays complement SRP's Resource Plan

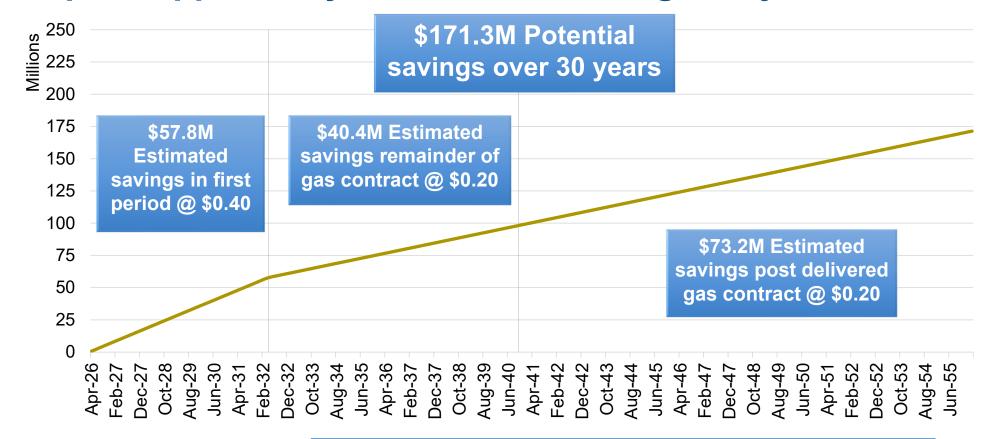

SRP Prepaid Transaction History

- Salt Verde Financial Corporation (SVFC)
 - Gas prepaid transaction (2007)
 - Issued \$1.2B in tax-exempt debt
 - Discount of \$1.15 per MMBtu: Savings to date: \$183M. Projected remaining savings: \$153M
- Recent Gas Prepaid Transactions
 - Three transactions executed 2020-2023
 - Discount of \$0.26 \$0.50 per MMBtu: Initial period savings: \$21.9M. Projected future minimum savings: \$60.3M
 - Flexibility to switch from gas to power at SRP's discretion
- Power PPA Prepaid Transaction
 - Executed January 2025
 - Discount of 12.9%: Initial period savings: \$73.6M. Projected future savings: \$67.2M
 - Flexibility to switch from power to gas at SRP's discretion

New Prepaid Opportunity

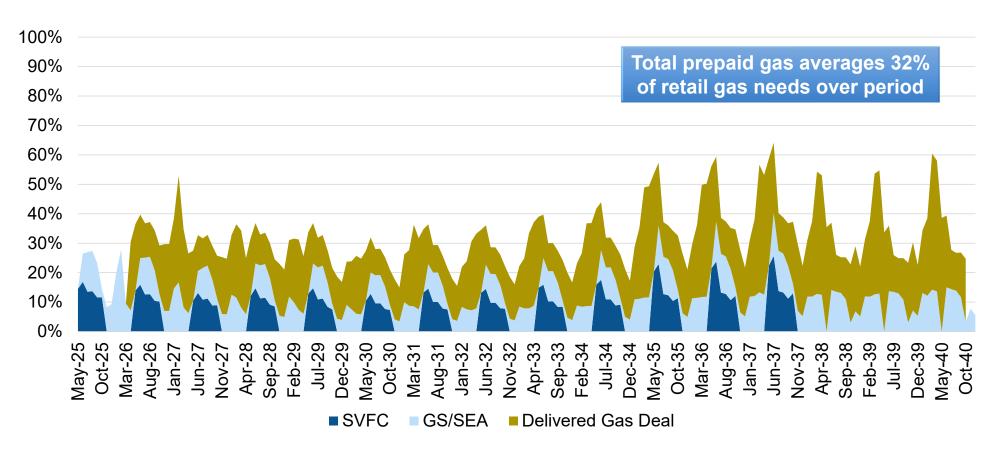

- SRP executed a Board approved delivered gas transaction, October 2024 (the "Delivered Gas Deal")
 - 65K MMBtu/day delivered to SRP system
 - Term: June 2026 through October 2040
- SRP can assign the gas volumes under the Delivered Gas Deal into a prepay structure to yield savings
 - Ability to switch to electricity at SRP's discretion
- Current estimated market discount: \$0.40 per MMBtu
- Minimum estimated discount, future periods: \$0.20 per MMBtu

Prepaid Opportunity: Cumulative Savings Projection

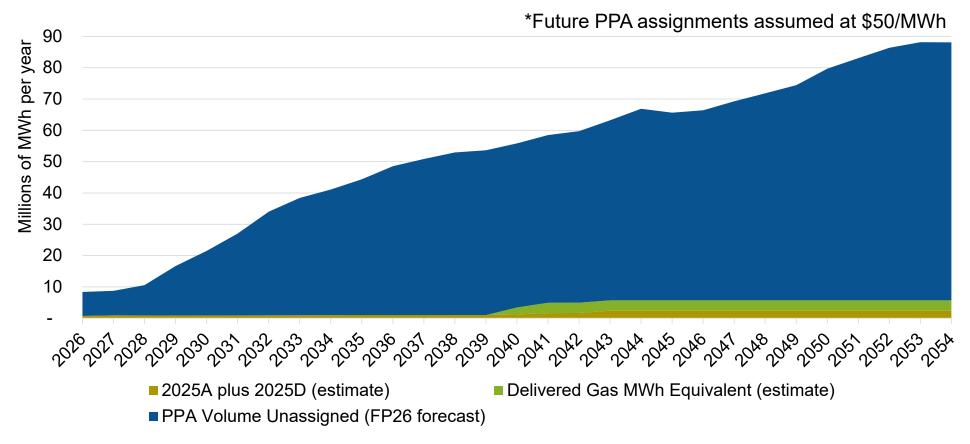

*Projected savings for illustrative purposes only, actual savings subject to market rates at execution

Prepaid Opportunity: Prepay as percent of Retail Needs

Switching Provision: Electric PPA Volume Forecast

Parameter Constraints

- Execution Timing
 - Prior to April 30, 2026
- Volume
 - One or more transactions not to exceed a total of 24,000,000 MMBtu annually (or, if applicable, the equivalent amount of energy)
- Savings
 - Minimum discount of at least \$0.10 per MMBtu (or, if applicable, the equivalent discount in \$ per MWh)
- Term
 - Not to exceed 30 years

Prepaid Transaction Next Steps

- If recommended by the Committee, seek full Board approval
- Select a supplier/investment bank partner and issuer of debt
- Negotiate necessary agreements
- Monitor the market for optimal execution timing
- Upon Board approval, execute prepaid transaction to lock in savings

Approval Request

Request that the Committee recommend that the Board authorize the President, Vice President, General Manager & Chief Executive Officer, Associate General Manager & Chief Planning, Strategy and Sustainability Executive, or Associate General Manager & Chief Financial Executive, to execute:

- (a) One or more long-term, prepaid commodity transactions (each, a "Transaction"), each entered into on or before April 30th, 2026, subject to the following conditions and limitations, as further set forth in the proposed form of resolution provided to the Board for adoption:
- 1. Prepaid gas volume under all Transactions will not exceed 24,000,000 MMBtu per year or, if applicable, the equivalent amount of energy.
- 2. The maximum term of any Transaction will not exceed 30 years; and
- 3. Any Transaction must provide a minimum discount of at least \$0.10 per MMBtu or the equivalent discount in \$ per MWh.
- (b) In furtherance of the Transactions, one or more assignment and assumption agreements with respect to the purchase agreements for the underlying commodity transactions.

thank you!

RESOLUTION OF THE SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT AUTHORIZING THE PURCHASE OF NATURAL GAS AND/OR POWER UNDER ONE OR MORE COMMODITY PREPAID TRANSACTIONS; AND AUTHORIZING THE EXECUTION AND DELIVERY OF ONE OR MORE COMMODITY SUPPLY CONTRACTS AND ASSIGNMENT AGREEMENTS RELATING TO SAID PURCHASES

WHEREAS, Salt River Project Agricultural Improvement and Power District (the "District") has a need for additional natural gas or power supplies to serve its customer base; and

WHEREAS, one or more entities (each, an "Issuer") (i) will acquire, obtain financing, and manage secure and economically priced supplies of natural gas and/or electric energy (the "Commodities") for sale to municipalities and other governmental entities, and (ii) has planned to acquire long-term Commodity supplies from certain supplier(s) (each, a "Supplier") on a prepaid discount basis using the proceeds of certain tax-exempt bonds issued by such Issuer (the "Bonds"); and

WHEREAS, Issuer has caused or will cause to be prepared one or more Commodity Supply Contracts (each, a "Commodity Supply Contract"), providing for the purchase of Commodities by the District from Issuer, and Issuer will pledge its interests in the Commodity Supply Contract(s) to support its obligations with respect to the Bonds; and

WHEREAS, the District will pay for Commodities delivered pursuant to a Commodity Supply Contract only if and as such Commodity is delivered and will have no responsibility or liability respecting debt service on any Bonds; and

WHEREAS, the District entered into one or more natural gas purchase agreements (the "Gas Purchase Agreement") with a third party gas supplier (the "Upstream Supplier") pursuant to which the District purchases natural gas on a firm basis ("Firm Gas"); and

WHEREAS, the District has an opportunity to pay discounted prices for the Firm Gas, by entering into a limited assignment and assumption agreement with the Supplier(s) and the Upstream Supplier(s) with respect to one or more Gas Purchase Agreements (an "Assignment Agreement") under which (i) the District will assign, and the Supplier will assume, the District's rights to take delivery of, and the District's obligation to pay for, the Firm Gas under the Gas Purchase Agreement, (ii) Supplier will cause the Firm Gas to be delivered to Issuer, and (iii) Issuer will sell and deliver the Firm Gas to the District, under the Commodity

Supply Contract, at a discount relative to the base amount that would have been originally paid by the District pursuant to the underlying Gas Purchase Agreement (the "Original Gas Price"); and

WHEREAS, the District will have the right, at its discretion and in order to maintain operational flexibility, to switch to discounted market-based electric energy purchases under the Commodity Supply Contract; and

WHEREAS, pursuant to Arizona Revised Statutes, § 48-2301 et seq. (the "Act"), the Board of Directors of the District (the "Board") may enter into, execute, acknowledge, deliver and perform all contracts or agreements that it finds are in the best interest of the District to carry out or accomplish any of the purposes under the Act; and

WHEREAS, the Board has determined that it is desirable and in the best financial interest of the District that the District purchase Commodities from Issuer under the terms of one or more Commodity Supply Contracts, each entered into on or before April 30, 2026, providing in the aggregate for the purchase of no more than 24,000,000 MMBtu/year (or, if applicable, the equivalent amount of electrical energy), each for a term not exceeding 30 years, and each providing a minimum discount of at least \$0.25/MMBtu (or, if applicable, an equivalent discount per megawatt hour with respect to the purchase of market-based electric energy) (collectively, the "Purchase Criteria"); and

WHEREAS, the Board has determined that, to facilitate the Commodity Supply Contracts, it is desirable and in the best financial interest of the District that the District enter into one or more Assignment Agreements; and

WHEREAS, the Board desires to authorize the proper officers of the District to take all necessary steps to finalize and enter into (i) Commodity Supply Contracts meeting the Purchase Criteria, and otherwise under terms and conditions approved by an Authorized Officer (as hereinafter defined) ("Qualifying Commodity Contracts"), and (ii) one or more Assignment Agreements related to the Qualifying Commodity Contracts, for a term not exceeding that of the applicable Qualifying Commodity Contract, and otherwise under terms and conditions approved by an Authorized Officer (the "Qualifying Assignment Agreements").

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT AS FOLLOWS:

SECTION 1. Authorization of Transaction. The Board hereby finds and determines that it is desirable and in the best interest of the District and is in furtherance of one or more purposes authorized or permitted under the Act, to enter into one or more Qualifying Commodity Contracts and one or more

Qualifying Assignment Agreements. The Board hereby authorizes and approves the purchase of the Commodities and the consummation of all transactions contemplated by any Qualifying Commodity Contract, and the assignment of the Gas Purchase Agreement(s) that are the subject of any Qualifying Assignment Agreement.

SECTION 2. Execution of Documents. The President, Vice President, General Manager & Chief Executive Officer, Associate General Manager & Chief Planning, Strategy and Sustainability Executive, and Associate General Manager & Chief Financial Executive (each, an "Authorized Officer") are, and each of them hereby is, authorized to execute and deliver the Qualifying Commodity Contracts and the Qualifying Assignment Agreements (each in such form as may be approved by the Authorized Officer(s)), and all documents, certificates and any other deliverables related thereto, with such changes, additions, and deletions as are approved by such Authorized Officer executing the same (said execution being conclusive proof of approval of the Qualifying Commodity Contract, the Qualifying Assignment Agreement, and other documents). The Secretary and the Assistant Secretary of the District are each hereby authorized to cause the seal of the District to be affixed to such documents and to attest the same as necessary.

SECTION 3. Authority of Officers. Each Authorized Officer, and other employees of the District directed by an Authorized Officer are, and each of them hereby is, authorized to: execute such certificates, documents, and other instruments, and take any other actions reasonably required or desirable to complete the transactions contemplated by any Qualifying Commodity Contract and any Qualifying Assignment Agreement, including, but not limited to, (i) cooperating with any Issuer and the underwriters of the Bonds, and their agents and representatives (collectively, the "Issuer Representatives"), (ii) providing the Issuer Representatives with information relating to the District as is necessary for use in the preparation and distribution of any preliminary or final official statement or other disclosure document used in connection with the sale of the Bonds, and (iii) delivering any necessary tax certificates or documentation necessary to evidence the District's compliance with any tax or continuing disclosure requirements arising as a result of the District's execution of a Qualifying Commodity Contract or a Qualifying Assignment Agreement; and to take such actions consistent with this Resolution, and to do such other acts and things, as may be necessary or advisable in connection with the purchase of the Commodities under any Qualifying Commodity Contract and the assignment of any Gas Purchase Agreement under a Qualifying Assignment Agreement.

SECTION 4. Amendments. Following the execution of any Qualifying Commodity Contract or any Qualifying Assignment Agreement, each Authorized Officer, and other officers and employees of the District directed by an Authorized Officer are, and each of them hereby is, authorized to execute any amendments

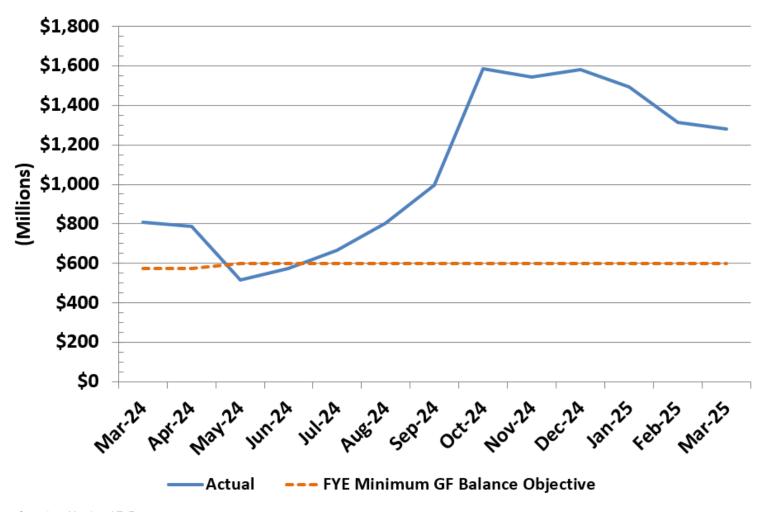

thereto that do not materially modify the terms thereof.

SECTION 5. Effective Date. This Resolution shall take effect immediately.
