Candidate Information

Hello I am Allen Freeman. I am currently a Councilmember of District 9 of which I have been serving apart of for the past 8 years. I am running for re-election and would love your support. I was born and raised in Arizona. My wife Shelly and our family are native Arizona residents and been farming here in Arizona our whole life.

I come from a long line of Agriculture history as my father and grandfather both made their living farming here in Arizona. I have kept that tradition going by farming in citrus here in the Mesa area. Along with my family we have owned and operated "The Orange Patch" for over 50 years.

SRP was formed by a group of local ranchers and farmers who wanted to make sure the land and community would thrive. As a District 9 Council member my goal is to provide energy that is efficient and affordable for those who entrust us with their business. I believe in SRP's dedication to persevering natural resources to provide affordable water and energy to the neighborhoods we serve and those around us.

By voting for me, Allen Freeman as District 9 Council member I promise to continue our mission of providing dependable and cost-effective energy in Arizona to your family and mine.
