

# Bill Sheely

CANDIDATE NAME

## Council

POSITION

## District / Division 2

VOTING AREA

### CANDIDATE INFORMATION

Hi, I am Bill Sheely and I am running for one of the three seats in the SRP District 2.

I have had the good fortune to serve on the Council for fifteen years. I endorse the Salt River Projects commitment to their Customers to provide Reliable, Economical and Sustainable Service. The next several years will be critical to our community, SRP will be as essential to our future as it has been in the past to enable us to prosper in the desert.

I hope as a member of the Council I can further the efforts of the Salt River Project to provide water and power to the Valley of the Sun.

I am a native Phoenician, and a member of a Legacy Farming Family. (however I became an Architect). My wife and I have three beautiful daughters, and three active grandson.

Thank you for your support.
