### CANDIDATE INFORMATION

It is an honor and privilege to represent all the wonderful people in Salt River Project District 4. For the past 18 years I have actively voted, promoted, advocated for clean, reliable, and affordable water and electricity.

I believe our value as human beings, and especially elected officials, is measured by how we relate to the least fortunate among us. In the past I have served as Vice-Chair of the SRP Council and Chair of the Education Committee and have consistently endorsed programs to help everyone struggling to pay the high costs of utility bills.

Please feel free to contact me directly at 602-882-2224 with any questions or concerns.

Thank you for all your support in past elections.
