CANDIDATE INFORMATION

I am a Phoenix native.

I have a BS in Mechanical Engineering from Loyola Marymount University and an MBA from Thunderbird.

I am a successful West Valley farmer and formerly owned and operated a large dairy farm with my brothers for 26 years.

I have served on the SRP Council for 14 years and am currently the By-Laws Committee Vice-Chair. I have served as Council liaison to several key Board committees such as the Water Committee, Power Committee, and the Audit Committee.

I have had a direct hand in leading SRP to:

- The lowest electricity rates in Arizona and the lowest 20% in the West.
- The most reliable large utility in the West and 3rd most reliable in the country.
- The highest credit rating of any utility in the country.
- 23 straight years winning the JD Powers Highest Customer Satisfaction Award for large utilities in the West.
- A national leader in solar generation and battery energy storage implementation.
- Numerous commercial and residential efficiency programs.
- Power generation in 2035 is on track to be 82% cleaner than in 2005 and Net Zero in 2050.
- Industry leader in rate plans that prevent cost shifting from one class of customer to another class, including from data centers to residential customers.
- Watershed and forest management programs that are nationally recognized for their proactive approach and effectiveness.
- A secure robust water supply for the SRP territory.
- A strong water leader and advocate for all Arizonans, including those outside of the SRP territory.

With your support, I will continue to work to keep SRP's water and power Reliable, Affordable, and Sustainable for Arizona's future.
