

Dave B. Lamoreaux

CANDIDATE NAME

Council

POSITION

District / Division 10

VOTING AREA

CANDIDATE INFORMATION

I am happy to have served on the Salt River Project Council member from District 10 for the past 12 years. I'm grateful to have the opportunity to run for re-election for another four years. I serve on both the Water Association and the Power District. I am a 4th generation native Arizonian. I was born and raised here in the Salt River Valley where I was raised on the farm in Gilbert where our family of seven children has farmed for generations in the Salt River Valley. I married my sweetheart and now we have raised our six children on our farm in Gilbert. We love Arizona. I am very aware of the need for reliable water and power. Salt River Project now has over 2 million water customers and over 1 million power customers. It's one of the most well-run utilities in the world. We have always focused on reliable water and power. If re-elected I will continue to represent you and focus on reliable water and power. I would appreciate your vote and support to continue to represent you from District 10.
