POSITION

CANDIDATE INFORMATION

I'm Barry Pacey, running to be SRP's next Vice President. It has been an honor to serve on the SRP Council for the past 14 years and would like to use that experience in a greater role as SRP's VP. I believe it aligns with my passion for my faith, family, and community service.

I have a strong faith in my Lord, being the cornerstone of my life. My wife, Joan and I have built a beautiful home and family on this foundation with 3 great adult children with their spouses which have blessed us with 3 wonderful grandkids. I'm grateful for living in the best place in America and a country that affords us the freedom to prosper.

While pursuing a BS Degree in Construction at ASU, I started my construction company to work myself through school and have successfully built for multiple commercial clients, such as Public Storage Inc and the FedEx Corporation. I have been an active member and served in leadership positions with the Associated General Contractors of America, Valley of the Sun Camelback Kiwanis, BSA Grand Canyon Council, and at present, a LD8 Precinct and State Committeeman. My volunteering to the City of Phoenix includes serving on the Fire Bond Committee, the last two General Plan committees, and currently the Vice Chair of the Camelback East Village Planning Committee.

During my service on the SRP Council, I was appointed to chair the Education Committee where I was charged with the coordination of workshops, timely topics for Board and Council meetings, and SRP tours. Currently, I serve as the Council Vice Chair.

I believe I can be instrumental in supporting the SRP management with their future challenges of doubling our power generation in an economic and sustainable manner. I will support the continued innovation of SRP's water resources to ensure a plentiful supply.

My foremost objective will focus on PROVIDING THE MOST AFFORDABLE POWER WITH THE HIGHEST RELIABILITY AND PROTECTING THE WATER RIGHTS OF THE ASSOCIATION.

I respectfully request your support for my pursuit to be the next SRP Vice President!
