

SRP HEAT PUMP WATER HEATER REBATE APPLICATION CHECKLIST

What you need to complete an SRP Heat Pump Water Heater Rebate application online:

- Your SRP account number
- A paid-in-full itemized invoice and/or receipt that includes:
 - The installing contractor/company name, address and Arizona Registrar of Contractors (ROC) license number
 - The date of installation
 - The address of installation, including unit/apartment numbers
 - The new equipment price(s)
 - The new equipment size in gallons
 - The new equipment manufacturer and model number(s)

Invoice must show a \$0 balance due or be marked as paid in full. Contact your contractor for a revised invoice before submitting your paperwork if any required information is missing.

- A signed Contractor Terms and Conditions form (You can download a copy here.)
