Any person who may be adversely affected by the requested permit/revision may offer oral or written objection to the terms or issuance of such permit. Grounds for comment are limited to whether the proposed permit meets the criteria for issuance prescribed in statute or rule. Objections or comments may be mailed to the District, may be hand delivered to the District, or may be expressed at the scheduled hearing. Written comments must identify the person objecting, be signed, and clearly set forth reasons why the permit/revision should be changed or should not be issued. Objections or comments are due during the public comment period, which ends upon the latter of thirty (30) days after the date of the first publication of this notice, or close of business on the date of any hearing that may be held. Send objections/comments to Pinal County Air Quality Control District, P.O. Box 987, Florence, Arizona 85132.

The permit application package, including the application, a revised draft permit, a revised technical support document, and comments and objections received, is available for inspection and/or copying at the offices of the Pinal County Air Quality Control District, 85 N. Florence St, Florence, Arizona. Any questions regarding the proposed permit or the hearing may be directed to the District at (520) 866-6929.
