GET PAID TO DO MORE WITH LESS ENERGY

There is still time to take advantage of SRP rebates designed to help with your bottom line. From refrigeration and window film to lighting and smart thermostats, if there is a way to save on your energy bill, chances are SRP has a rebate to make it happen.

As a valued customer, you are eligible to receive a no-cost energy assessment. Get started today at savewithsrpbiz.com or contact your Strategic Energy Manager.

5 SECURE WAYS TO PAY YOUR BILL

Protecting your private business information is one of our highest priorities here at SRP. That’s why we want to alert you to scams targeting utility customers.

Scammers may use a number of ways to contact you — by phone, through email or even in person. In most cases, they demand payment via a prepaid card followed by a threat of disconnection.

Don’t fall victim to these scams. To help make sure your payment is received by us securely, SRP reminds you to pay your bill one of these ways:

1. SRP’s eChex service lets you pay your SRP bill online from your checking account. It’s easy, secure, free and available 24 hours a day.
2. SRP SurePay™ enables you to have your bill paid automatically each month from your checking or savings account.
3. Visit an SRP PayCenter®. Locations are listed at srpnet.com/paycenters.
4. Mail your payment to SRP, P.O. Box 80062, Prescott, AZ 86304-8062.
5. Credit/debit card payments can be made online or by phone. This service is provided by an outside processing firm that charges a $2 convenience fee for each transaction.

To learn more about any of our payment options, visit srpnet.com/bizbilling or call (602) 236-8833.
SRP BECOMES CERTIFIED AUTISM CENTER

More than 3.5 million Americans are living with an autism spectrum disorder, according to the Autism Society, and many of those are adults who often struggle to find employment that supports their needs.

To help solve this growing issue, SRP is the first water and power organization in the country to become a Certified Autism Center™ (CAC). Granted by the International Board of Credentialing and Continuing Education Standards (IBCCES), this certification demonstrates that SRP is committed to bringing a more diverse pool of employees to the table.

“SRP is always looking for ways to become a more inclusive employer, and becoming a Certified Autism Center supports that aim wholeheartedly,” said Stephanie Winn, Manager of Talent Acquisition.

Early in 2019, SRP was the first company in Arizona to partner with The Precisionists Inc. This allows SRP to create job opportunities for people on the autism spectrum, harnessing their special talents and providing valuable employees for the utility.

Since the partnership began, SRP has employed 11 associates through the program and plans to expand it across the company.

A LOOK BACK

When the lands in the watershed transform into a winter wonderland, SRP is filled with cheer! Snowfall within the watershed is critical for the flow of the Salt and Verde River systems. Measuring the snowpack to forecast future runoff is a task SRP employees have carried out for decades.

Beginning in 1950, the Salt River Valley Water Users’ Association began using a Sno-Cat vehicle in cooperation with the U.S. Soil Conservation Service for snow surveys to remote areas. One is pictured here during a survey on Mount Baldy in 1952.

Other essential gear included snowshoes and skis, which came in particularly handy when a flat tire and mechanical issues with the snow vehicle stranded two men on a survey in 1956. Visit srpnet.com/history to learn more about SRP.

LUKE DAYS 2020

Luke Days 2020 is taking place March 21–22 at Luke Air Force Base in Glendale. The event will feature the USAF Thunderbirds, the F-35 Demo Team and other performances.

As always, general admission is free. VIP tickets are available to purchase for an upgraded experience. Hurry to take advantage of early bird discounts and make sure you’ve got the best views of the action. All proceeds benefit the Fighter Country Partnership.

Visit AirshowUSA.com to browse available amenities and purchase VIP tickets.
