This list of contractors familiar with the Hunter and Rachio controllers is provided by Hunter, Rachio and Ewing Irrigation & Landscape Supply. Should you require additional assistance with the installation of your new controller, please contact any of the installers listed for an estimate. SRP also suggests that you check with the Better Business Bureau at (602) 264-1721 or the Registrar of Contractors at (602) 542-1525 before hiring an installer.
